

Activities and excursions in Slovenia 2012 - 2013

Taxi Transfer

Taxi Transfer

Experienced and professional drivers at your service

The level of our service constantly improves thanks to the commitment of our experienced and professional drivers to customer care and our cars are perfectly efficient and at the top level of the high segment.

We are therefore in a position to satisfy the requirements of our international clientele and confidently meet the demands of the market.

Bus Transfer

Let us feel you special

In Italy and Slovenia, bus company abound but most are run by large, impersonal conglomerates who see you as nothing more than a number.

We do things different.

As a boutique operation, we fuse professionalism with that personal touch that eludes our competitors.

Our courteous staff, elegant fleet and exquisite service will pamper you since the very first minute till the arrival!

Business professionals rely on us for efficient ground transportation. Connoisseurs and tourists relax and trust us to handle the driving for wine country tours and other Adriatic Area getaways.

Guide Service

Our professional driver-guides & step-on guides offer an informed and entertaining commentary while on tour

We provide you our licensed, enthusiastic & fun Tour Guides!

A personally and carefully handpicked group of licensed and custom-oriented tour guides who know all the ins and outs and can make the most out of your trip.

Sailing experience or Regatta

Sailing Ride - Regatta

Take your time for a sailing ride on the waves

Welcome aboard, join us for a unique experience offering unparalleled panoramic views of the coast skyline, you can just ride and enjoy the scenery, or help operate and pilot the boat, even get sailing lessons.

It is our commitment to ensure that your sailing trip will be the one event you'll remember!

Panoramic Tour by Old Timer

Panoramic tour by Old timer and Wine tasting

Just for Special Guests

Our panoramic tour on old timer cars offers more than just an ordinary sightseeing, it is a nostalgic experience that is appealing for visitors young and old!

We will drive you through the countryside with its verdant hills, cypress trees and olive groves passing through farmhouses, villas and villages admiring the scenic beauty on the way. Of course we will stop to taste the excellent wine of the region.

Wine Tasting

Wine tasting

Wine and Dine are a great way to know the local wines and also the local food.

A wine tasting in one of our selected local vineyards where you will taste high quality wines followed by olive oil degustation and homemade grappa. Wine degustation can take place in an old canteen carved into the living rock or in a modern tasting room, you will be introduced with the various phases of the winemaking process and will have the opportunity of a delightful walk through the vineyard rows.

Parenzana Bike Tour

Guided Bike Tour - Parenzana

With our bike tours, we will show you the true Istra, spanning from its history through to the present day; from the beautiful unchanged landscapes, the ancient venetian salt pans and the still lived in villas which captivate our senses daily.

Our bike tours showcase our homeland in a way that brings you back to the simple pleasures - the wind in your hair, the untouched landscapes sprawled out before you, Istra off the beaten track.

Off Road Adventure

Off road - Istra Trophy

This is a truly unforgettable half day experience.

Adrenalin-pumping, unrestricted nerve-tingling excitement and pleasure are yours, but always in complete safety and you will have an instructor by your side to make sure you get maximum enjoyment and performance from them.

Truffle hunt with dog

Truffle dogs are used to find the product. They, with their excellent nose, can perceive its smell from under the ground.

Attending a **truffle hunting** is really particular, involving and exciting activity to do: the Sherlock Holmes that it's in you will come out and your Indiana Jones spirit will rejoice once that the treasure has been found, among the green trees and plants.

Truffle Hunt

Salt Pans Experience

Salt pans and Olive oil *A Mediterranean experience*

Cultural heritage of the Piran salt-pans reflects centuries-old life and work of the salters on the northeastern coast of the Adriatic Sea.

To learn more about olive oil, we have arranged an excursion that provides you with insight into the fascinating methods of olive oil production that have been practiced through the ages.

Dragonja Hiking

Hiking in the Dragonja valley A visit to picturesque Istrian villages with ancient paths between vineyards and olive groves and the bewitching scent of forest solitude.

The path is excellently marked. We first ascend St. Peter, continuing to the village of Nova vas and then towards the wide slope, where the age-old village of Krkavče is located. We descend from the village to the Dragonja valley and return to the starting point along the ancient paths above the valley.

Postojna Caves

Postojnska Caves *Postojna cave, the world-famous miracle of Nature.*

The mysterious **Postojna Cave** world is the part of Slovenia which has been carved, shaped and created by water. Deep within these world-famous caves hides the most precious beauty created through millions of years, drop after drop, year after year.

Sport footwear and a warm sweater are recommended.

Predjama Castle

Predjama Castle

The legend of knight Erazem the “robber baron”

In addition to the caves we will visit the Lonely Planet cover-featured **Predjama Castle**. The famous Castle built together with the rock has been known as an invincible fortress for centuries – when you see it you will understand why.

Among the most interesting sights are the living quarters, the chapel and the dungeon. The fascinating objects on view include weapons, oil paintings and a Pietà dating from 1420.

Skocjanske Caves

The Škocjan caves have an extremely complex system of cave passages over a total length of 5.8 km. With their depth of 163 meters, Velika dolina and Mala dolina charm every visitor. The finest view of both valleys with the natural bridge and the cave that separates them is from an observation point. The caves, with an immense underground gorge and halls, are the beginning of the Škocjan underground system. The caves probably have the biggest cave hall in Europe, measuring 12,000 square

Skocjanske Caves

Lipizzaner horses show

The performance of the classical Spanish Riding school is an unforgettable experience.

Short transfer to to the world famous stud farm Lipica, which is the cradle of the Lipizzaners horses, the gracious “four-legged aristocrats” that proudly continues more than 400-years-old tradition of breeding the famous white horses.

Lipizzaner Horses Show

Horse Ride

Horse Ride and Istrian Pick-nik *Good scenery, good horses and good wine!*

Departure from Hotel to a small ranch on the hills. Transfer will take 20 min. Short introduction by the horses muster and start with a relaxing and lovely scenic trail rides on safe and well mannered horses. Trails venture into the hills surrounding Portoroz. You will also enjoy a pick-nik with home made products accompanied by local wine.

Suitable for Beginners

Nordic Walking

Nordic Walking

Trails crossing a landscape park. Exciting and safe paths for 80 km of possibilities.

We will take you to the path that leads through a tunnel where the former Trieste–Poreč narrow gauge railway used to run, getting from the incredibly scenic Strunjan to your hotel in Portoroz in less than an hour. Another path towards Portoroz runs through olive groves. A special Piran Path runs around the town of Piran, taking you to all the mediaeval splendours of the town closest to Strunjan in 90-odd minutes. Only a short walk away!

Scuba Diving

Scuba Diving - Snorkeling

Have you ever wanted to go snorkeling or scuba diving with a professional but never had the chance to do so?

Well time has arrived!

Reef Punta is probably the best, what Slovenian sea has to offer. Because of it geological structure it gives safe haven to most of the species that live in this northern part of Adriatic sea.

You can experience a thrilling leap from 12000 feet and rush to the ground with speeds exceeding 200km/h while enjoying an unforgettable scenery above the salt fields of Secovlje.

We'll teach you everything you need to know to jump and land safely.

Balooning

Tandem Jump from airplane

Trieste and Miramare Castle Tour

Trieste and Miramare Castle

Town and harbor with long commercial tradition, a melting pot of different cultures, nations and religions, has always been an important transitory meeting place. You are going to see the old **St. Giusto church** next to the medieval castle with a beautiful panoramic view, as well as the romantic **Miramare castle** situated on steep rocks next to the sea - a love nest of emperor Maximilian of Hapsburg and the Belgian princess Charlotte.

City tour Koper

Venetian Past in Slovenian Present

Walk through the narrow streets leading to the main square, visit of the largest cathedral in Slovenia, the Palazzo del Pretorio will evoke the era of the Venetian Republic, the golden age of the Gothic and Renaissance in the city. Coffee in the square followed by free time and a wine degustation in the best wine cellar of the region.

Koper Walking Tour

Ljubljana and Castle

Ljubljana is a beautiful city. Irrespective of the weather and time of the year, it has plenty to offer to visitors. It boasts an extraordinarily large number of sights, picturesque areas and pleasant nooks and crannies. The tour includes a funicular ride to the Ljubljana Castle.

Discovering Ljubljana

Hrastovlje the Fortress Church

Hrastovlje *The Fortress Church*

The marvelous 15th-century frescoes in Hrastovlje's Romanesque Church of the Holy Trinity rank at the very top of Slovenia's medieval mural artwork. The most remarkable among them is the **Dance Macabre** that illustrates the powerlessness of both poor and rich before Death.

The church is worth visiting also for its architecture and setting.

Motovun – Built by the Giants

Motovun *In the Heart of Istra*

Not far from Pula rises Motovun. Its attractiveness lies in its medieval ambient (the walls are formed by one ring form and two semi-rings) and view of the vineyard slopes and forest. The wall was built in the 13th and 14th century. In the middle of walls is located the palace, the terrific tower, city hall and the church. During 14th – 17th century were it connected with couple of new parts of city. The walking part has a great view.

Piran Walking Tour

Piran *The Slovenian Gem*

Piran is a very special, precious city. It is the best preserved cultural monument of Slovenian Istra. Each time one looks at Piran is overcome by feeling of surprise. Take a closer look at its architecture, influenced by the Venetian Republic. Throughout time, Piran maintained the clustered medieval structure narrow winding streets, houses huddled close together, rising in cascades, the contact with the sea, numerous squares and churches.

Bled Lake Tour

Bled lake and Castle

After a 2 hours transfer you will reach Bled, often mentioned as the pearl of the Alpine region due to its emerald-green lake, a church on the island in the middle of the lake and a medieval castle from the 11th century on a cliff above the lake.

After a romantic sail to the island you will visit the little Church where you can make a wish playing the wishing bell, built in honor of a young widow.

To get the best view, you'll visit Bled castle. But spare some attention for the chateau itself. With its cone-shaped turrets, yard-thick walls and lofty parapets it's something special.

Rovinj - Istra Tour

Porec and Rovinj

Istria's most scenic coastal towns

Rovinj is the most beloved town in Istria, a top sight in Croatia, and one of its most romantic spots. With its pastel-colored houses clustered together on steep winding streets and topped by a Venetian bell tower, you would think you were in Venice.

The highlight of Sightseeing in **Porec** centre are the marvelous **Euphrasian Basilica**, a UNESCO World Heritage Site for its gleaming mosaics.

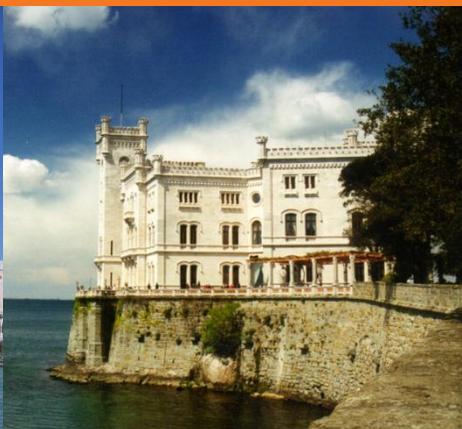

Pula and Brioni Islands

Pula and Brioni island

Fantastic experience, fun and culture in a natural paradise

Pula is a fascinating place to visit with its well preserved **Vespasian amphitheatre** and historic waterfront.

After a light lunch and a comfortable boat transfer we will arrive to the **Brioni island**. A three hour visit of the area includes the **Safari-national park**, museum, archeological and ethnological collection including ruins of a Roman settlement.
