

Mesec penin

Koželj Wines Portorose

Kot se za vinoteko spodobi, v našem meniju glavno vlogo odigrajo penine. Skozi hode se predstavijo mehurčkaste umetnine iz vseh vinorodnih okolišev Slovenije. Spremlja jih delikatesni izbor.

As expected in a wine bar, sparkling wines play the main role in our menu. Through the courses, bubbly creations from all wine-growing regions of Slovenia are presented. They are accompanied by a selection of delicacies.
